Dear Parents/Guardians,

Each year, students in all elementary grades throughout BC receive instruction in sexual health education. This information is included in the Physical and Health Education program mandated for all BC students by the Ministry of Education. From time to time, schools bring in experts in the field to address this topic with the school community. We are excited to inform you that this year we will have a presentation at school by Sarah Maitland from the Saleema Noon Sexual Health Educators, to work with students in Kindergarten to Grade 7 on Friday, October 17th.

In their Body Science presentations, Saleema Noon and her team of educators work with children of all ages, teaching them about healthy bodies and healthy sexuality in ways that are non-threatening and entertaining. In their own language, children learn about how their bodies change, and what those changes mean.

The content of the presentations is supported by current research as being age appropriate and we believe that it contributes to healthy child development. Some of the topics Saleema Noon Sexual Health Educators cover in their workshops extend beyond the content of the BC Physical and Health Education curriculum.

Also, please join us for an informative live Zoom presentation for parents on the evening of Wednesday, October 15th at 6:30 p.m. with Sarah Maitland from Saleema Noon Sexual Health Educators. Sarah will give an overview of the presentations she will be doing with students and will show parents how easy it is to convey healthy, meaningful messages about sex and growing up to children. See below for Zoom Meeting information:
