ATTENTION ALL PARENTS OF GRAUER STUDENTS

The Grauer PAC (Parent Advisory Council) is in immediate need of your help in joining the parent advisory council. We need your help and support to be able to start up programs and activities that your children love such as the hot lunch program, winter wonderland family skate, movie nights, and more. Without your help, we will not be able to have these programs this year.

The following roles that are immediately needed are:

- Treasurer
- Secretary

The PAC works with the school on matters pertaining to the education of the students and to the school. Some of the responsibilities of the PAC include:

1. Organize extracurricular activities to enrich the experience of the students attending the school.
2. Be a forum for the voices of the parents. To advise the principal and the staff on the parents' views and provide feedback about school programs and policies.
3. Promote cooperation between the school and home in providing support for the education of the students.

Please consider attending the PAC monthly meetings. If you are interested in being an elected officer of PAC, please contact Mr. Plumb or myself (grauerelementarypac@gmail.com). Commitment to a position involves attending these monthly meetings of ~1 hour duration to discuss activities. The meetings are conducted in person and/or online on Mondays. The next meeting will be held on Monday October 21st, at 5:30pm.

Thank you,

Vi Zhang

PAC Chairman
