

NEWSLETTER #7

SPRING BREAK

Spring Break is just around the corner! Please note that the last day of school before the break this year is **Friday, March 14th** and we return to school on

Monday, March 31st

BASKETBALL SEASON

The girls and boys basketball teams wrap up their seasons next week at the Hugh Boyd Basketball Tournament on Tuesday, March 11th. A huge thank-you goes to Mr. Shoub and Ms. Bawa for volunteering their time to coach the teams through a very successful season!

PAC MEETINGS

Grauer Parent Advisory Council has our next meeting is April 28 from 5:30 – 6:30 p.m. in the school Library.

We will also send out an online link to allow families to join us virtually as well. We are still looking for new members, so please come and join us!

KIND MIND PROGRAM

Over the past month we have been fortunate to have Grauer Elementary connect with The Kelty Foundation, to focus on kindness. Various classrooms have been participating in "Kind Mind Month", using resources and videos provided by the Kelty Foundation. Last Tuesday, the school came together for a dance celebration led by DJ Rock'n Beau. It was a fantastic celebration and lead-in to Pink Shirt Day, with DJ Beau stressing the importance of kindness to self and others. A huge thank-you to Ms. Toffolo and Ms. Kolosoff for connecting with the Kelty Foundation and coordinating this program for our students!

LOST AND FOUND ITEMS

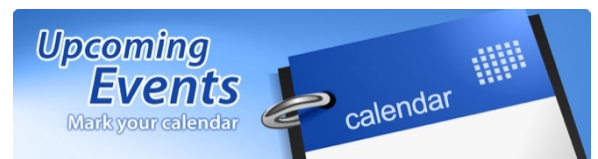

Please be sure to stop by just outside the Gym to look through our Lost and Found items. Any unclaimed items will be donated to charity.

TRACK AND FIELD

When we return from Spring Break, students in grades 4 - 7 will be training for this year's Zone Track Meet. Our Zone Track Meet date is not yet known but will likely be sometime in May. We are looking forward to another fantastic day at the track.

NUT-FREE ZONE: Just a reminder that Grauer School has many students with severe, life-threatening food allergies. All classrooms are designated nut free in order to protect the health of our students. Please do not send nut products or food containing nuts into the school, as the impact on a student can happen anywhere in the school.
